This is a weekly meeting of Alcoholics Anonymous, where members may feel free to discuss/share their own experiences, beliefs, or feelings on the discussion topic of the month. As freethinkers, Atheists and Agnostics, we aspire to open-mindedness and to appreciating the sharing of others. Once the meeting is finished, we have a general discussion, with time for questions and general fellowship. As a group, we are secular. That is, we do not endorse or oppose any system of belief, nor do we have any quarrel with any form of religion. Our only wish is to assure suffering alcoholics that they can find sobriety in A.A. without having to accept anyone else's belief or having to deny their own. *Discussion | Online Meeting | Online only | Secular*
