Helping members become familiar with the magic contained within the "Big Book" and the role it plays in recovery. Each week we read a section from the book Alcoholics Anonymous (the "Big Book") and then open up to members sharing their thoughts or experience in relation to the reading. We move through the book week by week, covering the Forewords & Doctors opinion, the 11 chapters covering the core 164 pages of the Big Book, then finish with a selected Personal Story from the back of the book. Each cycle of reading runs approximately 6 months. New and existing members are invited to come along and participate at any time during the cycle of readings. For more information on the group, or where we are at in the reading cycle, please visit our website at: <https://mpbb.aagroup.org.au/>
